Sail A Little - Live A Lot

## **Zanzibar is officially opened and Corona Free!**

The Minister of Tourism announced that there are no Covid-19 cases on Zanzibar since 10.6.2020!

### **Arrival to Zanzibar**

- Travelers do need to bring negative COVID-19 certificate from an approved laboratory in a departure country tested within 72 hours before travel
- There is no mandatory quarantine upon arrival
- Travellers will be checked at the airport for COVID-19 symptoms by measuring temperature
- Travellers must have valid health insurance
- Travellers are encouraged to apply for online e-visas prior to arrival

In case of no symptoms of COVID-19, the traveller can proceed to the hotel without any limitations and without any need for quarantine.

In case of showing symptoms of COVID-19, the government will proceed with the corona test in their special facility.

### **Procedures during the stay on Zanzibar Island:**

- Free movement around the island is allowed
- Wearing the mask while in public spaces
- Keeping social distancing
- All tourist facilities will follow the governmental Standards Operating Protocols (SOPs) to ensure Zanzibar is the safest destination.
